Directive 2003/11/EC (pentavalent and octavalent brominated diphenylether)

Directive 2006/122/EC (PFOS, PFOA)

The raw materials, semi-finished or finished products which we use contain either no PFOS or do not contain it in amounts which are not permitted above the limits specified in EU directive 2006/122/EC.

REACH (EC) No. 1907/2006 and attachment XVII

As a "downstream user", we will ensure compliance with all the requirements which affect us in respect both of the REACH regulation and the resulting security with regard to delivery.

Since October 2008, the European Chemicals Agency has published a Candidate List of Substances of Very High Concern (SVHC). On 27.06.2018 this list was extended by another substances.

According to current knowledge, our polymers conform to REACH standards and are also listed under REACH. In our own interests, and to ensure product safety, we track the implementation of REACH.

Biocide Dimethyl Furmarate (DMF) 2009/251/EC

Note: we do not enclose any packets of silica gel in our packaging.

Tin-organic combinations (DBT, DOT) 2009/425/EC

After a recently performed demand at our suppliers, we confirm our products meet these requirements.

We cannot accept any warranty for the products provided by you.
